Issue #3

Town Of DeWitt Newsletter

May 1st , 2026

Supervisor Letter

I hope you enjoy this month's edition of our newsletter. If you have suggestions, comments, or concerns please email supervisor@dewittny.gov.

Jamesville Quarry

I, along with town staff, recently met with representatives at the Jamesville quarry to discuss increased activity in the area, including anticipated growth associated with the Micron project. Our conversation focused on current concerns, potential impacts, and proactive steps to help prevent and reduce future issues.

One of the concerns raised was the noticeable increase in dust on Jamesville Road. We emphasized the impact on air quality and overall conditions for residents. Quarry staff acknowledged the issue and shared that they have purchased a second street sweeper to help decrease dust levels. They encouraged continued communication if residents do not see improvement.

Another issue discussed was loose stone falling from uncovered trucks, which has resulted in property damage, including cracked windshields. The quarry noted they consistently remind drivers of the need to cover all loads. They can enforce this with their vehicles, however they do not have the same authority over privately owned trucks.

As this is a traffic law matter, enforcement falls under the police department. Our Police Chief is increasing enforcement in the area, and results have already led to citations and the removal of non-compliant vehicles from the road.

In this newsletter you can expect:

Projects

Water Meter Replacement

Spring is here, and that means it's hydrant meter rental season in the Town of DeWitt's Water Department. As construction, landscaping, and seasonal projects ramp up, the hydrant meter rental program provides a safe, legal, and efficient way for contractors and residents to access water when needed. Hydrant meters are issued by the Water Department and allow water usage to be properly measured, billed, and monitored. Using a rented hydrant meter also ensures that water is drawn safely, without causing damage to hydrants or risking contamination of the public water supply.
It is important to note that taking water directly from a hydrant without authorization is strictly prohibited and considered theft
For more information on renting a hydrant meter, please contact the Town of DeWitt Water Department.

As a reminder, residents who have received a notice to have their water meter replaced are encouraged to schedule their appointment as soon as possible. This upgrade is an important part of improving system accuracy and efficiency, and timely scheduling helps keep the project on track. We appreciate your cooperation in advance.

Clerk's Corner

Stay in the Know:

DeWitt Launches New Alert System
The Town of DeWitt is pleased to introduce our new CivicPlus Mass Notification System—making it easier than ever to stay informed. This system is in its early stages as we continue setting it up and building our subscriber base. Residents are encouraged to sign up now to help us grow and improve this important communication tool.

Once registered, you can receive updates such as emergency alerts, road closures, weather advisories, and community news by text, email, or phone—based on your preferences.
This system will enhance the Town's ability to share timely, critical information and keep our community safe and connected.

To sign up via text:

Don't miss this once-in-a-lifetime celebration at Carrier Park

Town of Dewitt Recreation is now accepting applications for vendors for the Dewitt Farmers Market.

THE MARKET WILL BE HELD WEDNESDAYS STARTING JUNE 3-OCTOBER 7, 2026 AT CARRIER PARK 3 PM-7 PM

FOR MORE INFORMATION & TO APPLY CALL 315-446-3910 EXT. 9 OR EMAIL RECREATION@DEWITTNY.GOV

We're Hiring a Market Manager

The town of DeWitt is looking for a market manager to join us for the upcoming season. The market manager is responsible for overseeing the daily operations of the farmers' market, including vendor coordination, site setup, customer engagement, and ensuring compliance with market rules and safety standards. Serves as the main point of contact for vendors and the public, promotes a positive market environment, and helps support local businesses and community participation

Those who are interested should email recreation@dewittny.gov
